Tax Manager / Senior Manager

Torrance, CA	Hybrid	**Japanese required**

ABOUT THE ROLE

Premier Kaikei LLP supports companies operating across the U.S. and Japan through accounting, audit, tax and advisory services. Manage tax compliance and client relationships while supporting cross-border planning, transaction work and business development.

KEY RESPONSIBILITIES

- Manage U.S. federal and state tax compliance for corporate and individual clients; review staff-prepared tax returns and workpapers.
- Support cross-border tax matters, including Japan-U.S. coordination.
- Serve as a day-to-day client contact and coordinate with internal teams and external advisors.
- Identify tax planning opportunities and contribute to advisory projects.
- Support M&A tax due diligence, including tax exposure reviews, transaction structuring considerations and related diligence workstreams.
- Lead business development initiatives to identify opportunities, build relationships and generate new business.
- Meet deadlines and maintain quality standards and internal controls.

Additional Senior Manager responsibilities

- Act as a senior client contact, lead client relationships, and supervise, mentor and develop staff and managers.

QUALIFICATIONS FOR BOTH LEVELS

- Strong knowledge of **U.S. corporate and individual taxation**.
- International or cross-border tax experience preferred.
- Tax due diligence, M&A or transaction advisory experience is a strong plus.
- Communication, organization and leadership skills; ability to work independently and manage competing priorities.

Level-specific qualifications, benefits and application details on page 2.
